

# FSC Awards Program

The FSC Awards Program recognizes and celebrates long-standing collaborators whose leadership, service, and commitment have advanced the mission of the Foam Sheathing Committee (FSC) through technical excellence, advocacy, and market development.

## Award Categories

### **Lifetime Achievement Award**

The highest honor, recognizing a member with 20–25 years of industry service and meaningful, long-term contributions to FSC and the advancement of foam plastic insulated sheathing (FPIS).

Nominee must be a current member of FSC at the time of nomination.

### **Technical Excellence Award**

Recognizes a current FSC member who has consistently contributed to technical advancements through standards development, code participation, testing, or applied research.

### **Advocacy Champion Award**

Honors a current FSC member who has significantly advanced FSC's policy, code, or regulatory efforts on behalf of the FPIS industry.

### **Market Impact Award**

Celebrates a current FSC member who has contributed meaningfully to outreach, education, and market communications through the Market Support Committee.

### **Industry Champion Award**

Honors an individual—internal or external—whose leadership and influence have helped expand the visibility, trust, and reputation of foam sheathing in the broader building industry. The Industry Champion Award may be awarded to non-members who have demonstrated outstanding industry leadership and close alignment with FSC's mission.

## Eligibility

- Nominees must be current FSC employee-members. This includes:
  - Representatives of member companies
  - FSC-aligned staff, consultants, or interparty participants actively supporting committee work
- Nominees must demonstrate a strong and sustained impact in the relevant award category.

## Nominations Process

### **Narrative Statement (250–500 words)**

- Provide a narrative describing the nominee's contributions, impact, and alignment with the mission of the Foam Sheathing Committee (FSC). The narrative should summarize the nominee's key accomplishments and explain why they are deserving of recognition this year.

## Selection Process

- The FSC Membership Committee will serve as the Awards Committee and is tasked with the review and recommendation of awards. The FSC Operating Committee will be responsible for final selection.
- Awards will be publicly announced by October 1.

## FREQUENTLY ASKED QUESTIONS (FAQs)

### What is the purpose of the FSC Awards Program?

The FSC Awards Program recognizes individuals, companies, or teams that have made meaningful contributions to advancing the Foam Sheathing Committee's mission, including technical leadership, advocacy impact, and member engagement.

### Who is eligible to receive an award?

Eligibility is limited to FSC member company employees and FSC-aligned staff, consultants, or interparty participants actively supporting committee work, unless otherwise specified for a particular award category. Specific eligibility criteria are defined for each award.

### Who can submit a nomination?

Nominations may be submitted by any FSC member. Self-nominations are permitted.

### How are nominations evaluated?

Nominations are reviewed using evaluation criteria approved by FSC leadership.

### Who selects the award recipients?

Award recipients are recommended by the FSC Awards Subcommittee. Final selections are made by the FSC Operating Committee. Conflicts of interest are managed as part of the review process.

### How many awards are given each year?

One award in each category can be given out each year. Not all categories must be awarded every year.

## When does the nomination period open and close?

In 2026, the nomination period opens April 1 and closes July 1. Specific dates are communicated annually.

## When are award recipients notified?

Award recipients are notified confidentially in advance of any public announcement to confirm acceptance and participation. In 2026, recipients will be notified by August 31.

## When and where are awards presented?

In 2026, the awards will be presented September 29 at ACC Headquarters in Washington, DC.

## Will nominations or scoring details be shared publicly?

No. Nomination materials, scoring, and deliberations are confidential. Only final award recipients are announced publicly.

## Can a nomination be resubmitted in a future year?

Yes. Nominations that are not selected may be resubmitted in future award cycles, provided eligibility requirements are still met.

## Who should I contact with questions about the awards program?

Questions should be directed to FSC staff or committee leadership, as identified in the annual call for nominations.
